

PCR Saturday @ Home – Dawn Sear

When I was asked to put together a playlist before I moved away from the Village, I was struggling to decide on what to add – I love all the genres, so I knew that the choices would be endless. What I decided to do is put together a playlist of songs that remind me of a small number of the many wonderful people I have shared time with in Piddington (not necessarily all residents) and with whom I have made so many special memories. These have been interspersed with a few feel good songs!

My eclectic playlist follows!!!

1: Tell Me It's Not True from 'Blood Brothers' – Alfie Boe

New Year's Eve 2015.

We have had so much fun together – special memories. Nothing has ever been too much trouble – thank you.

(Glo & Martin Brown)

2: In Her Eyes – Josh Groban

In Loving Memory of Warren - this was 'Our Song'

A true gentleman!

3: Gold - Spandau Ballet

Our first Rewind Festival 2011 – What a weekend!

We have shared so many fun times together (and everything in between) and long may that continue! Thank you for being amazing friends. DLF!

(Bev & Tig Hopkins)

4: Sailing – Rod Stewart

This song always makes me think of my Auntie Diane!

(Diane Jones – My Very Special Auntie)

5: Seven Drunken Nights – The Dubliners

In Memory of Hilda Jane Jones - 'Granny Hilda'

We had a fabulous trip to Ireland and each evening we would listen to Irish Folk Songs – Granny Hilda couldn't stop laughing when she heard this one! Special times!

6: Here Comes The Sun – The Beatles

He is always there with a helping hand – putting in an attic ladder (to stop me falling out of it again – with the support of Tig), mending dishwashers, cooker doors, moving furniture, etc. The list is endless – Thank you!

(Richard Foulkes – My Brother-in-Law)

7: Top of the World - Carpenters

Well what can I say – a few glasses of wine and the Carpenters are on!!! Any excuse for a singalong! Thank you for all your love and support. You are amazing.

(Rachel Foulkes – My Sister)

8: Shout Out to My Ex – Little Mix

Elizabeth and I have sung this together so many times!!!

(Elizabeth Foulkes – My Niece)

9: Photograph – Ed Sheeran

This record, as well as many others, always makes me think of Heather. My other amazing sister – thank you for all your love and support which amongst many other things included the hospital trips when I fell up the stairs and broke my hand and foot!!!! I am the accident prone one in the family!!

(Heather Thomas – My 'Big' Sister)

10: Perfect 10 – The Beautiful South

George and I sang this together (Karaoke) and over the years, I have text George when I hear it play on the radio – good times! It always makes me smile and think of George!

(George Thomas – My Brother-in-Law)

11: Hold Me Close – David Essex

In Loving Memory of my wonderful Mum – Wendy Taylor

Mum loved David Essex and those naughty eyes! We saw him live at Oxford and Mum loved it!

Such a void in our lives...

12: Dancing Queen - ABBA

Dad loves ABBA and Mamma Mia. This song brings back special memories of singing in the kitchen at No 15!

Thanks for being You!

(Chris Taylor – My Wonderful Dad)

13: Come Outside – Mike Sarne

If he is listening, Uncle Phil is probably thinking ‘why this song’ – when we were children, Mum had a box of Uncle Phil’s singles which we played and this one has always reminded me of Uncle Phil.

(Phil Jones – My Fabulous Uncle Phil)

14: Mustang Sally – The Commitments

We have sung along to this one soooooo many times! I struggled with which song to add but thought this was a good one! Thank you for your friendship – we have certainly been through a lot together!

(Midge Miller)

15. Jess Glynne – Hold My Hand

We all need somebody to hold our hand and share in life’s experiences. This is another one of those wonderful friends who is always there!

(Jo Denton)

16: Dancing in the Moonlight - Toploader

There have been so many Village Hall events where we have danced to every genre you can think of. Great memories!

(Dedicated to all the Villagers that I have partied with over the years – there have been many and too many to list!!)

17: Shut Up and Dance – Walk The Moon

This song has always been a favourite as when the friends get together we have so much to talk about but we also love to dance. Keep dancing!

18: Man! I Feel Like A Woman

I don't think this was the song we were dancing to when we nearly took the speakers out at one of the many 'Dos' at the Village Hall but for some reason it always makes me think of You! Thank you for your friendship and support.

(Pam Bridgman)

19: Lovin' You – Minnie Riperton

There are a number of my friends who cringe when they hear this song now as I ruined their experience of it one evening having had one too many glasses of wine! Great memories for ME!!!

20: Believe – Josh Groban (The Polar Express)

For those of you who don't know me well, I love Christmas!! Christmas in Piddington is always so special; wreath making, church decorating, putting the Christmas tree up, carol singing, the carol service, etc. Such special memories have been made with old and new traditions. The hospitality always shown by Graham and Vanessa Burchell after carol singing for my entire life (and I am 53!!!) is something that I will always cherish.

21: Handbags And Gladrag's – Stereophonics

This will always remind me of The Pantry – yes, all those handbags that I purchased from Zena, amongst other things!!!

There have been so many events at the Village Hall – we have a great community who knows how to put on an event.

22: With A Little Help From My Friends

Dedicated to the residents of Piddington who have helped me through the dark days and have been there with a friendly face and time to chat – you know who you are! Thank you!

23: Dance – Rick Astley

I am a big Rick Astley fan and this song always makes me feel happy! I was taken to see him in concert in Oxford for my 50th!

(Bev, Heather & Midge)

24: Don't Stop Believing - Journey

Life is certainly a journey made easier by sharing it with family and friends!

(Jackie & Dom)

25: Sucker – Jonas Brothers

Just one of those songs that gets me singing/dancing!

26: Things Can Only Get Better – Dream

This one is for you Pauline! How many times have we said that over the years?!!!

(Pauline Gibbs)

27: Harvest Moon – Neil Young

Dedicated to Mr Nicholas Harper, my Fiancé!

Here's to the next chapter in my life! How lucky are we to have met and been given another chance!

28: Happy – Pharrell Williams

In these difficult times, with the challenges so many have to face, it isn't always easy to feel 'Happy' but I hope as I near the end of my playlist this will get you dancing again!

29: Thank You For The Music – ABBA

To Piddington Community Radio a big 'Thank You For The Music' and to everybody who has helped/continues to support the community throughout these unprecedented times. We have made some wonderful memories for Piddington and how proud I am to have been a part of them.

30: Never Forget – Take That

I will never forget this wonderful village and will miss you all!
