121.	<p>Appeal APP/C3105/W/18/3209349 to planning application 17/01962/F:</p> <p>The Chairman and the Clerk have held preliminary discussions with officers at Cherwell District Council, and the parties have agreed to work closely during the lead up to the Planning Inquiry starting on 26th March 2018.</p> <p>A Village Meeting was then held on 10th October which was attended by about 40 residents who voted unanimously that Piddington should be separately represented at the Public Inquiry by Counsel. Following this meeting the Clerk has instructed Richard Langham of Landmark Chambers to represent the Parish, and he will be formally briefed shortly and invited to the area for a site visit.</p> <p>Councillors were concerned at the ongoing delay of Part 2 of Cherwell District Council’s Local Plan – which is expected to make provision for any gypsy/traveller sites deemed necessary in the area. It was agreed that the Chairman would write to the Leader of CDC – Cllr Barry Wood – to ask whether it would be possible for CDC to publish some parts of the Local Plan Part 2 in advance of the public inquiry into Oxford city’s unmet housing need.</p> <p>The Chairman also confirmed that she was keeping in close contact with MOD representatives, who have expressed concern that they do not appear to have been consulted on significant planning applications adjacent to their land holdings.</p> <p>There will be regular updates on the application in Parish Matters.</p>	<p>all</p> <p>AD</p> <p>all</p> <p>FD</p> <p>AD/FD</p>
122.	<p>Jubilee Reserve/Widnell Park/Sports Field</p> <p>Grant applications have been, or will shortly be submitted to Viridor and Wren for funding of a Fitness Trail and support for the playground appeal. An application has also been submitted to TESCO under their “bags of help” scheme. Councillors agreed to look into grant opportunities from other shops – such as Waitrose and the Co-op.</p> <p>Hedges around the reserve have been cut and the new litter bin is in place in the Jubilee Reserve. The Clerk was asked to check whether CDC needed the key to the bin to empty it.</p>	<p>FD</p> <p>All</p> <p>AD</p>
123.	<p>Oxford to Cambridge Expressway</p> <p>The corridors for the potential route of the road have now been announced and a Councillor at Blackthorn has developed a map of an indicative route for the road adjacent to Piddington/Arncott, Blackthorn and Ambrosden. It was agreed that he should be invited to a Parish Council meeting to discuss options further.</p> <p>Cllrs Feltbower and Nixon attended a meeting at Charlton on Otmoor about the current proposals from Highways England where there was a discussion about</p>	<p>FD/AD</p>

	strategy – whether the group should oppose the road itself, or the current proposals.	
124.	<p>Village Gates/Signs</p> <p>Pedestrian signs for the entrance to Widnell Park have been installed. The Parish Council is currently seeking additional funding for white entry gates into the Village.</p>	AD
125.	<p>VAS</p> <p>The Clerk has obtained a quote from OCC of the cost of installing more posts for the VAS in the verges at locations around the village. She was asked to check if OCC could supply hinged posts, as they would make the erection of a VAS much easier.</p>	AD
126.	<p>Allotments</p> <p>The supplier to the Graven Hill Development has indicated that they are not able to quote to install a water supply to the allotments as they are not able to carry out work on the public highway. The Clerk is waiting to hear further from Thames Water.</p>	AD
127.	<p>Village Maintenance</p> <p>The Clerk reported an offer of support for maintenance in the village, and will chase up contacts. Current works are the re-installation of the dog waste bin in Lower End, and the installation of an additional bin on the verge near Shady Lane.</p>	AD
128.	<p>Dog Fouling</p> <p>It was reported that a number of users of the sports field have been observed failing to clear up after their dogs. The Clerk agreed to write to any residents reported to her advising them that failure to do so in the future would mean that the Parish Council would report their concerns to the CDC Dog Warden.</p>	AD
