

	Piddington VH	Room hire	100330	17.50	
	N Wallington	Mowing	100331	250.00	
51.	CLP The Parish Council noted that data analysis for the Community Plan is ongoing.				FD/PF
52.	Emergency Plan The Emergency Plan Committee has now held its first meeting. The Committee is recommending the erection of a secure shed in the grounds of the Village Hall, and the purchase of 2 portable generators. One member of the Committee is now proposing to develop a questionnaire for circulation around the village asking about expertise and equipment which would be available to provide support in the event of an emergency. Councillors noted that the EP Committee should have a member of PVHMC on board at all times as the village hall is the recognised emergency hub.				MN/MT
53.	Jubilee Reserve/Widnell Park/Village grass cutting. Unfortunately Piddington was not successful in its application for a grant from Calor. The Clerk was asked to write to Calor to point out that a rural community is likely to be at a disadvantage compared with a school when trying to enlist support for a parish project. The Parish Council would therefore suggest that Calor have a separate category for community of less than 700 residents, and also for schools. The Chairman is currently investigating grant availability from both Viridor and WREN, as the Parish is close enough to both the Ardley and Calvert EFR facilities. The meadow grass at the Reserve has been cut beautifully. Thanks from the Parish Council are due to the farmer concerned. The Clerk advised that OCC had asked for Google streetview screenshots of the location of safety signs for the entrance to the Sports field. Once received she will send them to OCC to make arrangements for such signs to be erected. It was reported that there are ongoing discussions about events at Widnell park on the Village Facebook page. It was agreed that the Parish Council would make arrangements for some mobile toilet facilities to be made available, should such an event proceed. Councillors Terzino and Howard agreed to make enquiries of suitable operators. It was agreed that any mobile toilet facilities provided by the Parish Council would be fully accessible facilities.				AD FD All MT/KH
54.	Village Gates The Clerk has made a request for support from Cllr Sames' Councillor Priority				AD

	Fund in the sum of £2000 in the year 2018/19 and £2000 in the year 2019/2020.	
55.	<p>VAS</p> <p>There have been problems with the mountings of the Vehicle Activated Speed sign, which means that it may need to be erected unlocked or left in 1 location rather than being moved around the village. However the Parish Council are pleased with the options available on the sign itself, and agreed to keep the sign – and advise the Council’s Insurance Company of the recent purchase.</p>	MT/KH/FD
56.	<p>Oxford to Cambridge Expressway.</p> <p>An announcement on the preferred route corridor is expected before the end of July. An email will go out to the village when the outcome is publicised.</p>	AD/FD
57.	<p>Neighbourhood Watch</p> <p>There have been insufficient volunteers to make this viable. However, the Parish Council noted that there has been a sharing of information about TVPA alerts and suspicious activity in the village on the Village Facebook Page. It agreed to support this activity by using the village email system.</p>	All/FD
58.	<p>Allotments</p> <p>The Clerk will make an application to join the National Allotment Society. The Allotment Committee has agreed to carry out maintenance on the vacant allotments.</p>	AD/LG
59.	<p>Village maintenance</p> <p>BT have advised the Clerk that they expect all unused Payphone kiosks to be removed before the end of April 2019.</p> <p>The Clerk was asked to check whether OCC still carry out kerbside cleaning as these have become overgrown.</p> <p>The Parish Council noted that the highway verges around the Village had recently been cut, and suggested that they arrange an Autumn litterpick – provisionally for the weekend of 9/10 September. The Clerk was asked to contact CDC to arrange for litter etc to be collected from the Village Hall afterwards. The chair will advertise on village email and posters.</p>	AD FD
60.	<p>Planning Applications. <u>Railway embankment stabilisation scheme, including earthwork re-grading, construction of access route and ecological mitigation measures (resubmission of 13/01805/F)</u> </p> <p>Land At Network Railway Embankment Between Piddington And Blackthorn Marsh Gibbon Road Piddington Ref. No: 18/00211/F</p>	AD/all

	To be circulated to the village. The Parish Council expressed concern that the proposals would encourage additional traffic through the village, and cause damage to roads. These points will be incorporated into any response from the Parish to the consultation.	
61.	Planning decisions None.	For info
62.	Police The next Rural Community Resilience Forum will take place on 5 th September in Piddington Village Hall. Piddington residents will be invited to attend. There were a number of concerns at the number of suspicious vehicles seen in the Village in the early hours of the morning. Residents will be encouraged to report any suspicious activity to TVPA, either on their local email address or via 101.	KH/FD
63.	Parish Deeds Councillors sifted the deeds and documents contained in the Parish Council safe kept by the Chairman. Councillors noted Minute books from 1894, and documents relating to the allotments, Widnell Park and the Burial ground. These will be read through in more depth before deciding whether to keep them in the village or send them to archive. If it is decided that they should be sent to the Oxfordshire County Archives, the Parish Council will investigate the possibility of digitalising them first.	all
64.	Councillor's report Cllr Sames reported that he would certainly support a grant of up to £2000 from his priority fund over a two-year period (2018-2020) and asked if PPC would like to have the money in one hit which was agreed preferable. He also suggested that the Clerk contact OCC to make an application for support from HS2 Safety Funds for other traffic calming measures.	AD
65.	Highways The Clerk was asked to check whether another verge cut would be carried out this year.	AD
66.	Circulated between meetings: CDC Parishes Liaison meeting – 20 th June 2018 – notes. OALC Update	AD
67.	Any Other Business: (for discussion) Items for next Agenda: by 10 th August please.	AD
68.	The meeting closed at 9.30pm.	

69.	Date of Next Meeting August 21 st 2018	AD
