7.	<p>Widnell Lane Gypsy Site</p> <p>A planning application has been lodged to increase the size of the site by 6 pitches. The Parish Council expressed disappointment that the application had been submitted at this stage, as they would have liked to see the first permission implemented and ensure that all conditions had been complied with. They would also like confirmation that there is still a need for additional pitches in the district.</p> <p>It did have concerns that the number of residents on the site could overwhelm a small village, and asked the Clerk to request that should they be minded to grant permission, CDC impose the same conditions as were imposed on the first application by the Planning Inspector.</p> <p>The Clerk was also asked to request that the application be decided by CDC's Planning Committee, not delegated to an officer.</p>	All																																

8.	<p>Allotments</p> <p>The donation towards the cost of the water supply has been paid. It was agreed that the Allotment Committee, while a Committee of the Parish Council, would be overseen and managed by Cllr Trish Wills. 6 pitches are currently vacant and these will be advertised in parish matters.</p>	FD
9.	<p>Village mowing</p> <p>This is proceeding satisfactorily, but the Clerk was requested to ask the contractor for a shorter cut.</p>	
10.	<p>Support for Village Groups/resilience</p> <p>The Village has provided support as required during the Pandemic, and the parish Council is keen to encourage the continuation of these support groups. Portals have been purchased to help isolated residents keep in touch, and Cllr Wills agreed to trial one.</p> <p>The Parish Council has recently purchased a generator to provide back up electricity for the village hall.</p>	
11.	<p>Frequency of Meetings</p> <p>The Council agreed to meet monthly, but would consider cancelling the meeting in August and December if there was insufficient business.</p>	Clerk
12.	<p>Embankment works</p> <p>The Embankment works are now running 14 weeks behind schedule. Cllr Howard has a portfolio of plans showing the extent of the proposed works by network rail. Cllr Terzino agreed to digitise these plans and make them available to all residents on the web site.</p>	KH
13.	<p>Anti Social behaviour</p> <p>The Clerk was asked to report concerns about bonfires in Ludgershall Road to Sanctuary Housing. Cllr Howard agreed to report the issue to Thames valley police.</p>	
14.	<p>Planning application</p> <p><u>20/01180/F</u> OS Parcel 2172 SE Of Vicarage Lane Piddington Siting of timber cabin for occupation by a rural worker</p>	AD

	<p>While the Parish Council would wish to support rural workers, there was concern that any development would, in the long term, provide a property for sale on the open market. It was agreed therefore that the Parish would ask for a condition to be imposed tying the property to an agricultural use.</p> <p>There was also concern at the effect on the environment of increased traffic on the area, and HGV's on other properties in the locality.</p> <p>For consistency the parish Council would expect the property to be built with a sewage treatment works.</p>	
15.	<p>Police</p> <p>There is a virtual facebook group dealing with rural policing issues.</p>	KH
16.	<p>Circulated Between Meetings:</p> <p>OALC and OCC update.</p> <p>CDC Liaison meeting</p>	AD
