

# Important information regarding Covid-19 rules for using the children's play area

Please note that the Piddington Village Hall Committee is following the government guidelines with regards to use of the equipment, and therefore we encourage the following.

- **These rules are in addition to the normal rules of the play area.**
- The Village Hall Committee reminds parents, guardians or carers that allowing children to use the play area/equipment is done at their own risk.
- **Equipment, benches and gates must be cleaned before and after use** by users, parents, guardians and carers, particularly where there are clear touch points, using antibacterial wipes.
- Hand sanitising foam is provided automatically by Lucy Ladybird, which is located to the right of the main play area entrance. Just hold your hands directly under Lucy Ladybird. **Parents, guardians and carers are encouraged to ensure that children sanitise their hands before entering the play area and when leaving the play area.**
- Please be considerate in the amount of time spent on equipment so others can use it.
- If a piece of play equipment is being used that you wish to use, please queue whilst maintaining social distancing.
- Users (or parents of users) **not to touch their faces**, and to cough or sneeze into a tissue or arm when a tissue is not available
- Children are **not to put their mouths on equipment or their hands in their mouths.**
- Parents, guardians or carers should dispose of all litter properly in the litter bin provided or take it home. Please ensure that used face coverings and PPE are disposed of properly in a sealed 'black bag' waste bin or litter bin, and are not put into recycling bins.
- Users, parents, guardians and carers **must maintain social distancing** in line with current government guidance.
- Those using the play area are to only have **1 family member accompanying their child/children.** Parents, guardians or carers should ensure that only children from the same family group use one piece of equipment at any one time. So please wait your turn.
- **Consumption of food or drink on play equipment or in the playground area is strictly prohibited.**

**If the play area is busy, please come back another time.**
