In view of the small number of villagers present no agenda was followed and all necessary procedures were carried out in no particular order.

(KH) Welcomed the villagers and referred them to the minutes of the last AGM held in September 2021 which was on their seats. Since then, a few additional items had been dealt with within the village hall. A new Cycle Rack had been installed. The Garden Furniture had been painted. New curtains had been purchased and would be fitted prior to Jubilee Celebrations weekend. Additional items had been added to the bar area to improve the ambiance of the bar area. Georgina the cleaner's husband Steve would maintain the flower containers at front of hall during the summer. Solar panels and new fire doors were being discussed by the trustees as possible new items to add to the hall. It was then stated that the Trustees were in need of additional help to run the hall, functions, maintenance and general help in decisions. Of the present 6 trustees 4 had full time jobs as well as homes and families to deal with, pressure was such that curtailment of the hall's opening had been discussed.

This matter discussed fully by all present and various ideas on recruitment were offered, which the Trustees would investigate. CCTV was raised by a villager and (MT) outlined the present situation and that further installations were to be added. Other general matters discussed on functions, hall's general use, lack of response to the AGM open meeting etc.

The Trustees agreed to stand again for the next 12 months at the conclusion of this AGM.

Meeting closed 8.30 p.m.
